

WOODSFORD

LITIGATION FUNDING

Investment Officer, London or Philadelphia - Woodsford Litigation Funding is seeking an experienced US-qualified lawyer with substantial patent and IP litigation experience to join us as an Investment Officer. The role involves assessing, recommending and managing Woodsford's portfolio of international litigation and arbitration, including our significant investments in IP litigation.

Founded in 2010, with offices in London, Philadelphia and Singapore, Woodsford is a leading provider of litigation finance and a founder member of the Association of Litigation Funders. Woodsford works with claimholders, law firms and companies across the world to provide sophisticated financial solutions that leverage its deep dispute resolution expertise and capital.

This exciting and varied role is for someone who wants to be in a fast-paced legal and commercial environment, willing to take on a variety of challenges and be at the cutting edge of innovation in litigation finance.

We seek a flexible team player who will have an important role in all aspects of the business, including:

- undertaking due diligence of potential investments
- negotiating financing terms
- presenting investments to our Investment Advisory Panel
- managing investments post-investment
- working with Woodsford's senior Marketing and Business Development team to execute and co-ordinate our sales and marketing plan

A successful candidate is likely to have/be:

- a US-qualified litigator with at least 4 years plaintiff-side patent litigation experience at a top tier firm (we will consider exceptional non-US qualified attorneys with significant understanding of US patent litigation)
- substantial experience in all phases of patent litigation, including *inter partes* reviews, and in a wide field of technologies
- experience evaluating patents for monetization, enforcement and licensing strategies
- comfortable conveying technical information to non-technical, lay audience
- commercial acumen, be numerate, and possess strong analytical as well as project management skills

This is a permanent role in a rapidly expanding business and offers a competitive salary.

The right candidate could be located either at Woodsford's office in London or our office in North Wales, Pennsylvania. The role may involve travel within the U.S. and internationally.

Interested candidates should send their covering letter and CV to Zachary Krug, Senior Investment Officer, at zkrug@woodsfordlf.com. No agencies please.
